A sketch plan must accompany this application showing the proposed structure, accessory structure and their placement on the lot in which they are located. The drawing shall show distance between the structure and all lot lines, other structure on the lot, road right-of-way line and any other outstanding natural or man-made features on or adjacent to the lot. The dimensions of all lot lines shall be noted. Such a drawing shall be prepared for a change of use for an existing structure as well. It is suggested that, upon request, the applicant lay out stakes on the lot to enable the Zoning Officer to determine the building location and lot lines. **A \$15.00 application fee is required with the submission of this application (cash or check made out to the Village of Cape Vincent).**

I, the owner or agent of the proposed use for which this permit application is being sought, do hereby affirm that the above information is true and accurate (to the best of my knowledge) and agree to abide by the regulations of the zoning law and all other applicable laws.
